Introduction

Sakinah Medical Outreach is pleased to present its mid-year performance report for the period of January to June 2024. As a non-profit organization dedicated to providing quality healthcare services to underserved communities in Nigeria, we are committed to transparency and accountability in our operations. This report highlights our achievements, challenges, and lessons learned over the past six months, as well as our plans for the remainder of the year. We are proud to share our progress with our stakeholders and look forward to continue contributing to the improvement of the health and wellbeing of those we serve.

Operational Highlights

Summary of Activities

Medical Intervention

- **Surgeries and Treatments:**
Successfully facilitated 4 surgeries for various conditions, including fibroids, mandibular ameloblastoma, hemangioma of the upper lip and brain tumor.

Health Education and Awareness Campaigns

- **Facebook Live Health Education Events:** Hosted two live chat sessions on "Healthy Eating in Ramadan" and "Common Fasting - Related Health Problems: Tips to prevent them."
- **Cholera Outbreak Response:** Disseminated crucial information on cholera prevention and safety measures through our social media, website, and newsletters during the outbreak in Lagos and other affected parts of the country.

Medical Myth-Busting

Monthly Myths Debunked: Addressed common health myths through social media and other organizational information dissemination platforms, all backed and supported by verified sources.

Patients Supports and Follow-up

Patient Stories: Shared inspiring recovery stories from beneficiaries, highlighting the impact of our donors' contributions.

Ramadan Fundraising Campaign

Successful Campaign: Ran a targeted fundraising campaign during Ramadan, raising significant funds for our medical Intervention and Community outreach

Collaboration and Partnership

Strategic and Milestone Meetings: Sakinah Medical Outreach held a progressive meeting with one of our collaborators, Medics Across Continents (MAC), in Abuja. During this meeting, SMO introduced MAC to prominent stakeholders in the country, including His Excellency Muhammad Sa'ad Abubakar III, the Sultan of Sokoto; His Excellency Dauda Lawal, the Executive Governor of Zamfara State; and Prof. Muhammad Raji Mahmud, the Chief Medical Director of the National Hospital, Abuja. This wasn't merely a meeting; it marked the solidification of a vital commitment to perform urgent surgical operations that will save lives in Nigeria. MAC is planning a medical intervention mission to Nigeria in 2025 that will cover some States in Northern Nigeria.

Challenges and Solutions

Funds Limitation

- Addressed budget constraints through targeted fundraising campaigns and donations received during Ramadan.
- Funds generated during Ramadan are used year-round for medical interventions, community outreaches, and to provide free healthcare services to indigent members of society.

FUTURE PLANS AND GOAL

- **Expansion of Outreach Programs:**
Plan to reach more remote communities in the second half of the year.
- **Enhanced Health Education:**
Continue our health myth-busting series and introduce more interactive content.
- **Strengthening Partnerships:**
Formalize collaborations with government bodies and NGOs to amplify our impact.

Conclusion

As we reach the midpoint of 2024, Sakinah Medical Outreach is proud to reflect on our accomplishments and progress towards our goals. Despite the challenges we faced, our dedicated team and partners have worked tirelessly to deliver essential healthcare services to those who need them most.

As we look ahead to the second half of the year, we remain committed to our mission and vision. We will continue to adapt and innovate, seeking collaboration and opportunities to improve our services and expand our reach.

We extend our gratitude to our donors, partners, and supporters for their trust and confidence in our work. Together, we can make a meaningful difference in the lives of countless individuals and communities.

KEY TAKEAWAYS

- We have provided 5 healthcare services to > 150 beneficiaries.
- We have achieved 60% of our mid-year targets.
- We have strengthened our partnerships with 2 organizations/entities.

LOOKING AHEAD

- We will focus on delivering healthcare services to communities through our community outreach program.

Sakinah Medical Waqf Foundation

At Sakinah Medical Outreach, our unwavering mission has always been to touch lives. However, as the demand for our services continues to grow, the resources we gather through Zakat during Ramadan and individual donations are no longer sufficient. These essential contributions, while immensely valuable, only allow us to treat a limited number of patients with severe conditions, leaving many more in urgent need of care.

To create a sustainable future for our organization and for those who rely on our services, we established the Sakinah Medical Waqf Foundation (SMWF) in 2018 to encourage Muslims to contribute to the well-being of their community while earning spiritual rewards.

Designed and operated as a vital aspect of Islamic philanthropy, SMWF is more than a charity—it is an investment in the health and well-being of our community. By contributing to our Waqf, whether through monetary donations or real estate, you are helping to build a system that generates continuous income and benefits.

Join us in this noble cause. Your investment today will ensure that Sakinah Medical Outreach's future is secured and help save lives for generations to come. Be a part of this enduring legacy—contribute to the Sakinah Medical Waqf Foundation and make a difference that will last forever.

If you are interested in placing your investment under the Sakinah Waqf Foundation, please reach out to us at +234 815 626 6007. We look forward to partnering with you to make a lasting impact.
